

The number of submissions is limited to 2 per submitting author.

Abstracts can be submitted for individual *paper presentation*, *symposium*, *workshop* or *poster presentation*.

Individual paper presentation aims at reporting on ongoing or completed studies in a 15 minutes oral presentation. Papers will be arranged in thematic sessions and assigned a specific slot by the Organizing Committee. Paper sessions last 60 minutes and consist of three presentations, with 15 minutes for discussion. Required information for the abstract submission: relevant conference theme, paper title, abstract (250-350 words), keywords (max 5), names of presenting author and co-authors and their institutions/organizations.

Symposium provides an opportunity for group discussion among colleagues on a specific topic. Please note that the chairperson of a Symposium is responsible for organizing all aspects of the Symposium, including the participation of the presenters and the discussant(s). Symposium lasts max 90 minutes. Required information for the abstract submission: relevant conference theme; for the symposium you need to provide: symposium title, abstract (250-350 words), keywords (max: 4), name(s) of the discussant(s) (max 2) and their institution/organization; for each presentation in the symposium you need to provide: paper title, abstract (250-350 words), keywords (max 5), names of the presenting author and co-authors and their institutions/organizations.

Workshop is an opportunity to present practical approaches, discuss specific case studies or introduce novel techniques. The main focus is the development of skills and participants' experiential involvement. A detailed description of the approach, case study or a technique that will be addressed in the workshop should be described in the submission, including theoretical background, aims, step-by-step procedures and other relevant aspects. Workshops last 45 or 90 minutes. Required information for the abstract submission: relevant conference theme, workshop title, abstract (250-350 words), keywords (max 5), names of presenting and co-authors and their institutions/organizations.

Posters are suitable for a variety of contributions, including completed projects, theoretical contributions, single case studies, pilot studies, and work-in-progress. Poster dimensions should approximate 80 x 100 cm (32 x 40 inches). When possible the Posters will be grouped by the topic to stimulate discussion and exchange of ideas. Required information for the abstract submission: relevant conference theme; poster title, abstract (250-350 words), keywords (max: 4), names of presenting and co-authors and their institutions/organizations. In case of a virtual conference, posters will be still presented.

We hope to see you all in Tallinn in June 2021, but due to COVID-19, we are working on the possibility of online conference. We will evaluate the situation of the global pandemic in February and make the final decision regarding the form of the conference in February after finalizing decisions on abstracts. Registration and payment of the conference fee will be opened after this decision. In the case of the online conference, fees will be different.

Submit your abstract today for a great conference!
